BELGRADE
FAIR

BEOGRAD
SAJAM

Car-free
Day, 2018

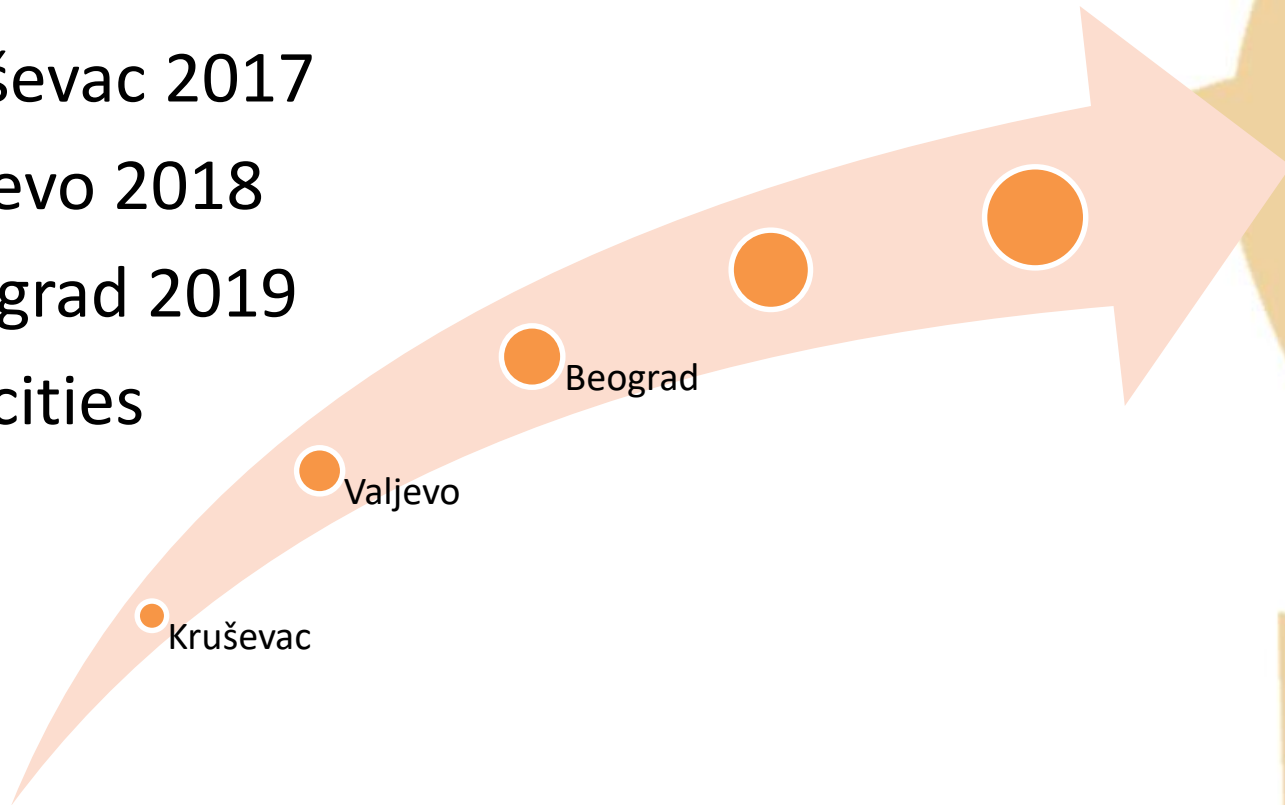

Cooperation with GIZ ORF EE

- Project „Sustainable urban mobility in Serbian municipalities“
- Support for two municipalities in preparation of SUMP
- Demonstration project in Kruševac
- Establishment of Expert working group on urban mobility

SUMPs in Serbia

- Kruševac 2017
- Valjevo 2018
- Beograd 2019
- + 2 cities

Challenges and opportunities

- No legal framework for SUM planning
- Strategic framework on national level not sufficient (National integrated urban development strategy)
- Insufficient capacities on local level
- Lack of political support
- Lack of expertise
- Interest is raising
- Networking
- Pool of experts
- Donnor support
- Connection to climate change, air protection, energy efficiency
- Improvement of life quality
